

You're the  
absolute worst.

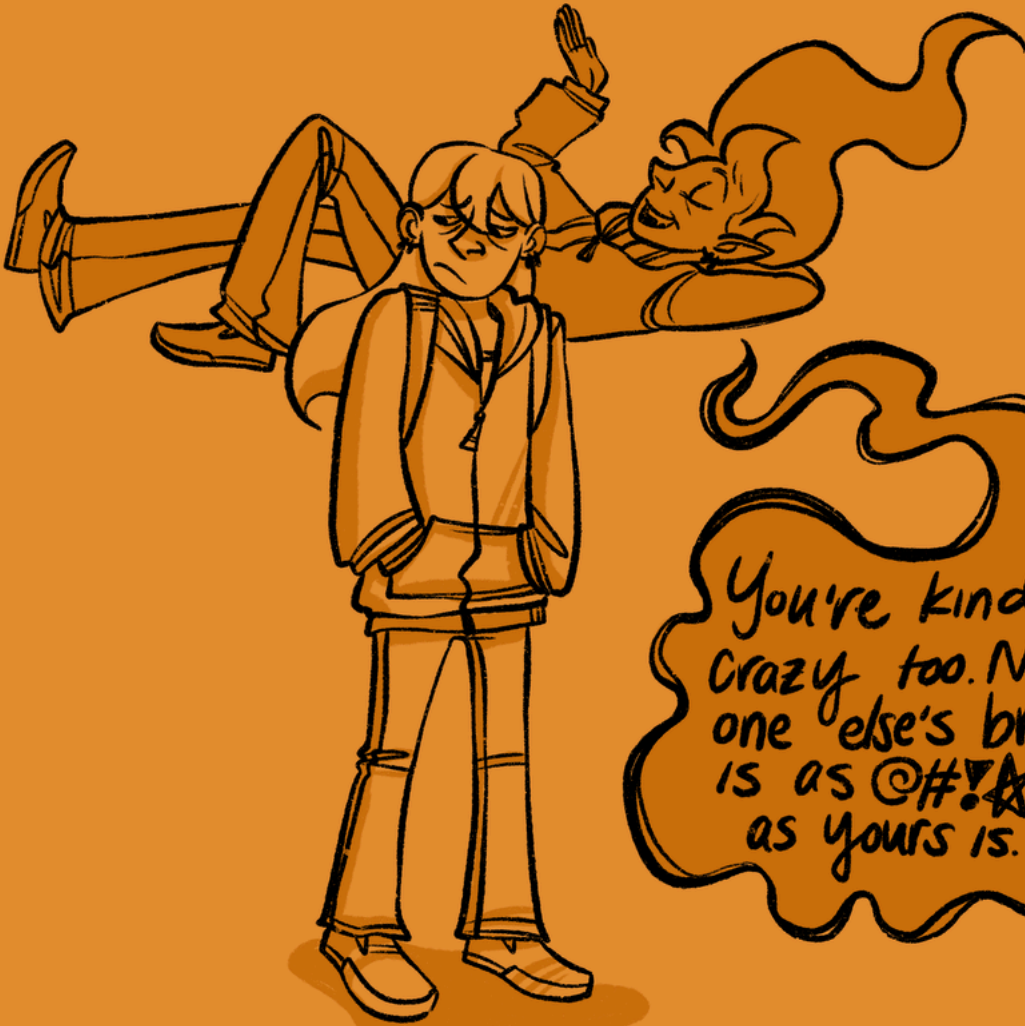

flow

I mean seriously,  
why would you  
think anyone  
would like you?

Everything you say is annoying. You're ugly and nobody can stand you.

You're kind of  
Crazy too. No  
one else's brain  
is as @#!\$ed  
as yours is.

You know it's true because

I am you.

You may come  
from within me,

but that  
doesn't make  
you right.

I get to decide my  
worth and I say  
that you're a liar

and you ARE WRONG.
